We welcome abstract submissions from all trainees, specialty doctors and consultants.

This may include case reports, audit, QI projects and research relating to:

- General Anaesthesia
- Regional Anaesthesia
- Perioperative Medicine
- Pain Medicine
- Intensive Care Medicine

Abstracts are limited to 2500 characters, with a maximum of 1 figure/table and 2 references. The RCoA College Tutor and FICM tutor at your trust will be able to help with submissions.

The submissions will undergo formal review before a presenter shortlist is finalised. Submissions will be scored on: Originality, Relevance to clinical practice, Quality of abstract, Methodology (where applicable), Overall impact and by Grade of author. PLEASE NOTE: YOU MUST REGISTER ON A-LINE.ORG.UK PRIOR TO SUBMITTING.

Prizes will be awarded for the best presentations on the day
Good luck and we look forward to seeing you at AIR 2024

Abstract submission deadline - 20th May 2024

Submissions via email: Andy.Thompson3@nhs.net

Feedback will be given upon request for unsuccessful submissions
