“I am pleased to share that I have passed with 46/48 after a previous fail. The course was excellent and hopefully I'll see you in the finals.”

“I am pleased to say that I passed the exam. The viva practice was extremely helpful for revision. Keep up the good work.”

“I passed my viva in January and feel this course really helped with my preparation. Thanks for organising.”

“I passed the SOE, thanks for all your help and hard work with running VivaMatch. It's a great program and of definite benefit to helping myself and others get through.”

“You guys put on a great course- arguably the best yet. The organic nature of your course in comparison to other courses is the thing that made it so great- you allowed us to form strong revision relationships with many people, and the variety of different partners and structures and freedom made a huge difference. Well done.”

“I passed both OSCE/SOE. Thanks for your efforts in arranging the VivaMatch course. It was very valuable and you addressed issues such as no-shows/zoom issues etc quickly.”

“I passed and found vivamatch probably the most helpful course!”

“Thank you so much for running the course. It was incredibly useful! Pleased to say I have passed the OSCE and Viva”

Historical Courses:

"I have passed my SOE with almost perfect marks. All thanks to you and for organising this amazing course. This is the best strategy I followed for my exam. Thanks to all the fellow candidates who helped me during our viva practice sessions."

"I can confirm I finally passed - and boosted my mark from a 34 to a 46 - thanks so much - viva match was definitely extremely helpful for that!"

"Yes I passed my SOE! Thank you so much, this course was excellent and I will definitely be recommending it to everyone I know sitting in the viva."

"Really thankful for the Vivamatch service - it really helped with motivation and extensive practice. Don't think I would have been anywhere near passing without it!"

"I am glad to inform you that I have passed this time. Will highly recommend the course to my colleagues. It truly helped me a lot."

"Just to say a massive thank you - I passed my viva on my third attempt and I don't think it would have been possible without A-liNE. I have highly recommended the course to a few of my friends who unfortunately were not successful this time round."

"I passed - thanks so much for the course. It was really helpful and definitely a massive contributor to me passing!"

"Thanks for organising. Glad to have passed on my third attempt! I Think was a fantastic course and nice to schedule our own timetable."

"I'm happy to say I passed! It was a great course and I look forward to signing up for your future final courses. It was lovely to also meet some of the other vivamatch candidates in person on the day after practising so much."

"I passed... which is a huge relief! I would say that your course was a major part of my prep. Having done the [other] course previously (which I found very unhelpful and quite soul destroying) I was quite apprehensive about signing up to A-liNE... but it was brilliant. Very well organised and a great group of people to study with."

"I think the A-line was so helpful for me, especially the constant practice. I learnt a lot from other candidates about the structure and how to answer appropriately- thanks so much organising."

"I am delighted to say I passed the SOE and OSCE first time. Thank you SO much for such an invaluable course. I do hope I can join it again when I get round to doing the final!"

"Passed the SOE (& OSCE) and attribute a huge part of this to the sheer amount of practice I got from Vivamatch - will definitely be recommending it to anyone who asks."
